

CFH 2021 SOCIAL IMPACT REPORT

From Brad, to you

I write this with a humble and grateful heart. As we all know, life can be a challenge or filled with limitless blessings. Fortunately, my life was the latter. I lived a blessed and affluent lifestyle all of my life. Then suddenly, everything was literally stripped from me without any forewarning.

I stumbled across CFH on the internet. **This was the beginning of my rescue.** After spending one night at the shelter, a staff member was kind enough to recognize my needs. He referred me to the program where you can spend the night and eat at various congregations.

I was able to use this shelter for several weeks before I was offered a grand opportunity to share a house with others in my situation, where I lived for 18 months. During this time, CFH Housing Navigator Keith reached out to me regarding the Section 8 program and to help me obtain this voucher. I was granted this "golden ticket" in a very short amount of time!

Many at CFH have shown me unconditional love and compassion during a difficult time in my life. **I recently moved into a terrific apartment due to the help of the CFH family.** This has helped me in more ways than I can describe—*thank you.*
