

We invite you sponsor PorchLight's **Light the Way Luncheon**, an inspiring event that lights the pathways of hope and healing for men experiencing homelessness in East King County.

At PorchLight, we believe in the power of **Mission Moments**, where stories of resilience and transformation take center stage.

These moments are made possible by **Purposeful Partnerships** — meaningful collaborations with compassionate community members like you, who understand the critical need for dignity-first services.

By becoming a sponsor, you will join us in fostering **Collective Compassion** — a unified effort to ensure that every man we serve feels valued, supported, and empowered. Your sponsorship will be instrumental in expanding our impact, deepening our community connections, and providing sustainable solutions that restore dignity and hope.

Why Sponsor?

- Directly Support life-changing programs that restore dignity and hope.
